MESSAGE FROM THE PRESIDENT

Stephany Zolinski

Spring is coming and so is our Danger at the Derby, Kentucky Derby fundraiser. I am so excited for this event; this year we have expanded our event to include a murder mystery. Guests will now have the option to have a role in our murder mystery or being a spectator. Get your tickets now, space is limited, you can get your tickets at clioart.net or by calling our office 810-547-7087.

We are expanding! Classes have been going well and we are excited to be adding more classes to our offering. By doing this we also need more classroom space, and after much consideration from our board we have decided to convert part of our gallery into additional classroom space. We are hoping to have our new classroom space completed by late spring. Thank you all for being a part of our growth and continuing to support the CCA and arts.
